

13 March 2022

Dear Sailors,

Re: Amendment to 2022 Asian Games Selection Policy

Due to the cancellation of the Singapore Youth Sailing Championship (16-18 March 2022) which was a nomination event for the Boy's and Girls Dinghy - ILCA 4, the selection panel has released an amended version of the selection policy.

2 An alternative event SSF Asian Games Selection Trials - ILCA 4 taking place on the same days as the original dates for the cancelled event will be used as the new Nomination event.

3 As further clarification with regards to the usage of Combined Race Scores for the selection of the Boy's and Girl's Dinghy - ILCA 4 events, both genders will be raced and scored together to better simulate the fleet size at the Asian Games. For the avoidance of doubt, scores for each gender will not be calculated separately in the tabulation of the combined race scores.

Thank you.

Yours sincerely,

Chung Pei Ming
